General Obligation Bonds	\$45,000,000	\$0	\$0	\$0	\$0	\$0	\$45,000,000

# Joint Public Safety Bond

## Overview

Request Owner	Fire CIP, Fire
Est. Start Date	01/01/2023
Department	18-City Unassigned
Type	Capital Improvement

## Description

This project proposes a General Obligation bond to fund multiple community public safety needs. Lincoln Fire & Rescue contracted with both an architectural firm, Pacheco Ross, and a construction project management firm, Project Control, to assess its facilities. Their report makes priority recommendations for how to address significant concerns with LF&R facilities. Improvements are outlined for renovations, repairs, replacements, and updates to address operational issues as well as gender and Americans with Disability Act requirements. The Pacheco Ross study identified capital projects to restore and update LF&R facilities. Project Control analyzed multiple scenarios to address the facility and station improvements recommendations within the Pacheco Ross assessment. Those improvements affect stations across the community, including the downtown headquarters.

Lincoln Police Department has also identified facility needs including a potential new team station in northwest Lincoln, facility upgrades and other system improvements that could be identified as part of this overall project package.

A public engagement process to develop a complete list of project improvements, community benefits, and final funding totals would be performed as part of the General Obligation bond process.

## Details

Status	Ongoing
Recommendation	In Conformance with the Plan

## Location

## Funding Sources Breakdown

Funding Sources	FY2025	FY2026	FY2027	FY2028	FY2029	FY2030	Total
