## AGENDA

---

- **Welcome and Introductions; Volunteer to Take Notes**
- **Mayor Gaylor Baird Comments**
- **Planning Department Proposed Zoning Text Amendments** – Steve Henrichsen, Development Review Manager, Lincoln-Lancaster County Planning Department: 402-441-7491; [shenrichsen@lincoln.ne.gov](mailto:shenrichsen@lincoln.ne.gov).

Steve will brief the Neighborhood Roundtable on a text amendment related to Neighborhood Support Services. Neighborhood support services have been a use allowed by special permit for many years. They include human, social, educational, counseling, health, and other support services provided primarily for the support of persons residing in adjacent residential areas, which occur frequently, and so require facilities in relative proximity to places of residence. They do not include residential or overnight accommodations.

Steve will also update Roundtable on additional text amendments in other areas of the zoning code being considered to clarify processes, edit outdated language, and improve development review. For more information about the additional text amendments, contact George Wesselhoft, Planner, [gwesselhoft@lincoln.ne.gov](mailto:gwesselhoft@lincoln.ne.gov), 402-441-6366.
