

You're Invited!

Come celebrate 100 years at Lincoln Wastewater System!

Anaerobic digesters

FREE public tours and swag.

DON'T MISS THIS RARE OPPORTUNITY!

Sunday, September 17
1-5 p.m.

2400 Theresa Street
Lincoln, NE 68521

*Just south of Cornhusker Hwy on
N. 27th St., turn onto Theresa St.
and continue past the gates.*

- Learn about the science behind wastewater.
- Find out how micro bugs play a vital role in the treatment process.
- Get up close to see the City's heavy equipment and size up its anaerobic digesters.
