

Let's talk trees.

Mayor's Neighborhood Roundtable

April 11, 2022

Street Tree Vouchers

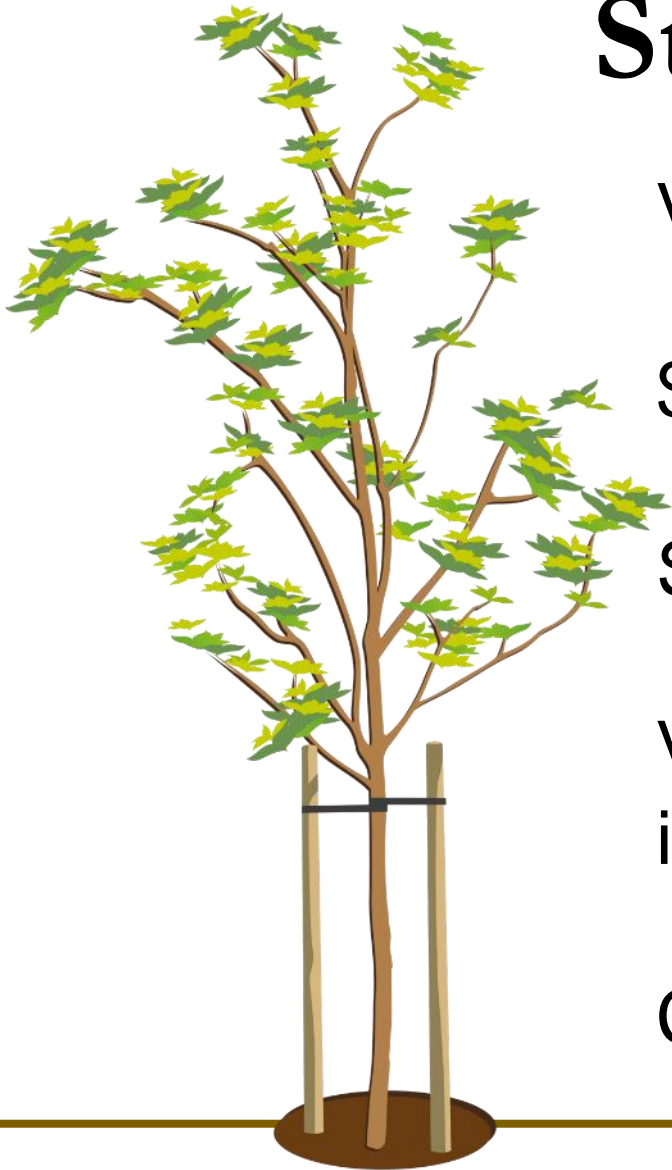

Vouchers are available for planting new street trees

\$250 redeemable at local nurseries.

Sidewalk space must be at least six feet wide.

Vouchers can be used to plant trees in front yards if the sidewalk space is too narrow.

Contact forestry@lincoln.ne.gov or 402-441-7847

Adopt an Ash Program

Allows residents to treat ash street trees.

Injection method by a licensed arborist.

Ideal time for treatment is late May and June.

Treatment should be done every two or three years.

Contact forestry@lincoln.ne.gov or 402-441-7847

Free Neighborhood Tree Distribution Events

Focus on central city neighborhoods.

Trees to be planted on private property.

Neighborhood volunteers assist with distributing trees.

Contact Mike Fallon, mfallon@lincoln.ne.gov

Contractual Street Tree Planting in Low/Mod Income Neighborhoods

Focus on central city neighborhoods.

Emphasis on replacing ash street trees.

New Community Forestry Planner Mike Fallon will be contacting neighborhoods about street tree planting projects.

Volunteer assistance with watering young trees?

At-Risk Tree Removal Program

Grants to remove dead and dying trees on private property.

Low / Mod income residents.

New trees provided for replanting.
