The 2022-24 Parks and Recreation budget invests in programs and services to help drive a more vibrant and equitable city.

Protect the health and safety of our families and community

Continued investments in programs and facilities:

- Parks and trails to support physical and mental wellbeing.
 We continue to see increased trail usage since the pandemic, currently seeing 20% increase.
- Playgrounds, pools, and recreation centers to provide welcoming facilities for people to engage in active living and to support a thriving community.
- Community Forestry to remove/replant ash trees, treat ash trees, respond to storm events, and proactively prune city street trees.

Invest in Economic Development and increased Customer Service

Continued investments in capital projects to maintain levels of service, and improve access and recreational opportunities for all citizens across the community:

- New Air Park Recreation Center/Williams Branch Library construction
- Renovation of five playgrounds
- Six new neighborhood parks
- Four new segments of trail (5.3 miles)
- South Haymarket Park development

Build infrastructure that supports a strong and resilient Lincoln

- Taking care of our existing park infrastructure (sidewalks, park roads, drinking fountains, lighting, roofs, pumps, etc.)
- Increases Community Forestry funding for:
 - ✓ tree pruning to reduce potential property damage
 - ✓ planting trees to lower heating/cooling costs and decrease greenhouse gases associated with climate change
 - ✓ Emerald Ash Borer treatment and recovery
- Provides additional funding for EV and alternate fuel fleet vehicles to reduce greenhouses gases and lower fuel costs.

Grow an equitable and inclusive community with a high quality of life

- School age programs allow parents to work while their children learn and play – 389 children are participating in modified summer day camps each day.
 - Support for the incorporation of inclusive play equipment.
- F Street Community Center:
 - provides daily meals for older adults and youth
 - distributes donated food and supplies
 - facilitates services for neighborhood residents
- Continued investment in Community Learning Centers supporting successful youth, thriving families, and strong neighborhoods.

	2020-2021 2021-2022			2022-2023	2023-2024
		Actual	Target	Target	Target
Outcome	Strong and Resilient City
