This agreement allows you to park and lock one bicycle in a designated area at your sole risk. The City of Lincoln and/or its contracted operator does not guard or assume care, custody or control of your bicycle or its contents and is not responsible for fire, theft, damage or loss. Only a license to store is granted hereby, and no bailment is created. This is your entire contract, and no City of Lincoln employee and/or an employee of its contracted operator may modify or waive any of its terms.

BICYCLE LOCKER RULES AND REGULATIONS

1. Lockers shall be rented on an annual basis from August 1 through July 31. After August, accounts will be pro-rated. Pro-rated agreements can be paid in full-month increments only. Month-to-month rentals are not available.
2. The full one-year installment must be received by the City of Lincoln Parking Office on the 1st of the month and is subject to a three-percent late fee if not paid by the 10th of the month. Non-compliance will result in automatic termination of this agreement. Overdue accounts will be suspended, cancelled and/or sent to collections until payment is received, after which the account holder is responsible for paying any fees or fines associated with this process. Overdue rent will be deducted from the key deposit, and any amount remaining will be forfeited if the key is not returned to Parking Services within 15 days of the cancellation date. The City of Lincoln and/or its contracted operator reserves the right to confiscate any unclaimed items left in the locker more than 15 days after cancellation.
3. There is a fee charged for each key issued even if the original key is lost, stolen or damaged.
4. The account holder agrees to report to the Parking Office any damages to the bike locker or to other account holders' equipment caused by their bicycle.
5. The assigned locker shall be used only for the purpose of storing a bicycle. Failure to comply will result in termination of this agreement.
6. Bike locker rentals are non-transferrable, and the use of any locker by someone other than the account holder may result in termination.
7. Written notice of termination is required and must be given to the Parking Office prior to the cancellation date. Upon termination of the agreement, the locker must be emptied and the key received by the Parking Office in order for the key deposit to be refunded. Unused rent from early termination will not be reimbursed. If the locker key is not returned within 15 days of cancellation, the key deposit will be forfeited.
