ROSA PARKS FOOD TRUCK APPLICATION

Name _____

Food Truck Name _____

Email Address _____

Address _____

Phone _____

Food Truck Length _____

Date of reservation _____

PARKING GUIDELINES FOR FOOD TRUCKS:

Before requesting a meter hood, please review these guidelines to ensure compliance with the City of Lincoln's vendor truck ordinances.

1. Applications can only be submitted by food truck owners/permit holders.
2. Food trucks can only park in parallel stalls. No angled parking.
3. Parking Services is required, by ordinance, to give the public a minimum of 24 hour notice. Therefore, we ask for a two-day minimum to review this application and place the meter hood. Meter hoods requested less than two business days in advance will not be approved.
4. Parking stalls are 22 feet long. Food trucks must fit completely in the parking space. If not, more than one stall must be hooded.
5. Parking Services is unable to relocate or change meter hoods once payment has been processed. No refunds will be issued.

There is a \$50 per charge per reservation.

Note: Payment is required at the time of application.

Please make checks payable to:
City of Lincoln Parking
1100 "N" Street
Lincoln, NE 68508
