

LANCASTER COUNTY
ASSISTANT ROAD MAINTENANCE SUPERINTENDENT

NATURE OF WORK

This is responsible administrative and supervisory work directing all activities and functions of the County Shop and assisting with County road maintenance functions.

Work involves responsibility for supervising all activities and functions of the County Shop including equipment maintenance and repair operations; operation of storeroom and inventory control activities; building maintenance and repair and yard operations; and maintenance of shop records and reports. Work involves responsibility for directing County road maintenance functions and monitoring maintenance efforts of an assigned district. Work also involves purchasing materials, parts, supplies and related items for the County Shop as well as for various field districts. An employee in this class is expected to exercise considerable independent judgment and personal initiative within the framework of established departmental policies, rules, and regulations. Supervision is received from an administrative superior with work being reviewed in the form of effectiveness of shop operations. Supervision is exercised over a variety of unskilled, semi-skilled, skilled and support staff subordinates.
