Section 1. The Union recognizes its responsibility as bargaining agent and agrees to represent all employees in the job classifications as set forth in Appendix "A" of this Agreement.

Section 2. The Union agrees that its members will not solicit membership in the Union or otherwise carry on Union activities during working hours.

Section 3. An accredited representative of the Union shall have access to County departments at reasonable times during regular business hours, (8:00 a.m. - 4:30 p.m., Monday through Friday) to perform Union responsibilities outlined in this Agreement, provided that they obtain prior approval from the Department Head involved or the Department Head's designated representative. Such approval shall not be unreasonably withheld.

Section 4. An accredited representative of the Union shall present themselves to the facility management and will be provided space to conduct business in accordance with Section 3 of this Article. Access shall not be unreasonably denied. An accredited representative shall mean a principal officer or designated representative of the local Union, or an IBEW international representative.

Section 5. The Union president or the President's designated representative may be allowed to absent themselves from work without pay for up to one (1) work day per month in order to attend to Union business provided a forty-eight (48) hour notice is presented in writing by the president or the President's representative to, and is approved by, the Department Head and the Human Resources Director. The request shall not be denied arbitrarily. Any denial should be based on business necessity such as staffing and/or productivity and noted on the requested form.

Section 6. The Union president and/or the President's designated representative may be granted up to thirty-two (32) hours pay per year or a maximum of two (2) representatives with sixteen (16) hours pay each per year, to attend educational conferences and seminars mutually agreed upon by the Department Head and the Union. The Union shall furnish management a list of the stewards' names, their assigned areas, telephone number where they may be contacted and shall keep a list current at all times. Such list shall be provided to the Department Head and Human Resources Director at least annually, at the beginning of the calendar year, or whenever steward information is updated. Alternate stewards may be appointed by the Local Union President to serve in the absence of the regular stewards.

Section 2. When requested by an employee, either a steward or a Union Executive Board member may investigate any alleged or actual grievance in the employee's assigned work area and assist in its presentation. Any denial shall be based upon business needs of the department and put in writing.

Section 3. When an employee presents their own grievance without intervention of a Union steward, the steward shall be given an opportunity to be present if requested by the employee who is processing their own grievance, and shall be allowed the time therefor, in accordance with Section 4 of this Article, upon notification and approval of the Department Head or the Department Head's designated representative; provided, however, the Department Head shall not unreasonably deny the approval. Any denial shall be based upon business needs of the department and put in writing.

Section 4. Stewards who use time during their regular shift hours for investigating grievances or attending grievance meetings will be paid their regular hourly rate for such time used, up to a maximum of three (3) hours per grievance but not to exceed a total of five (5) hours per week. The total time spent by stewards under this Article shall not exceed forty (40) hours per contract year. All stewards will be considered on a regular eight (8) hour shift as far as grievance pay is concerned. A steward who spends time representing an employee at a Personnel Policy Board hearing shall be paid for time spent during the steward's regular shift at the steward's regular rate.

The Union president and/or the President's designated representative shall be allowed to attend meetings as requested by department heads. These meetings may be for the purpose of the supporting and implementation of increasing department productivity and maintaining safe work places. This time is in addition to any time already granted in the agreement.

Section 5. No steward or other Union Officer shall leave the employee's regularly assigned work in order to investigate a grievance without first obtaining approval of

the Department Head or the Department Head's designated representative, and, provided further, such approval shall not be unreasonably withheld. A maximum of ten (10) stewards shall be allowed. They shall be assigned as needed.

Section 6. The County or any of its officers, agents or officials shall not be liable for the remittance payment of any sums other than those constituting actual deductions made; and if for any reason it fails to make a deduction for any employee as above provided, it shall make that deduction from the employee's next pay period in which Union dues are normally deducted after written notification to the Human Resources Director of the error. If the County makes an overpayment to the Union, the County will deduct that amount from the next remittance to the Union. If the County inadvertently makes a deduction from an employee who has not authorized said deduction or who has revoked said authorization in accordance with Section 4 of this Article, the Union agrees to refund said deduction to the affected employee. ARTICLE 14 - PERSONNEL FILE

An employee shall examine their own personnel file in the Human Resources Information System at any time.

ARTICLE 15 - SENIORITY

Section 1. Seniority means the total months of continuous service with the County since the last date of hire. Seniority for individuals who have been recalled from layoff in accordance with Article 17 shall be based on the continuous service date.

Section 2. New employees shall be added to the seniority list upon the successful completion of their six (6) month probationary period. The probationary period will apply toward seniority.

Section 3. An employee's continuous service record shall be broken by voluntary resignation, discharge for just cause, or retirement. Employees who are in a leave without pay status or layoff for longer than thirty (30) consecutive calendar days will have their seniority date and performance eligibility date adjusted, unless the leave without pay is an approved Family Medical Leave, a Nebraska Fair Employment Practice Leave, Military Protected Leave or County Protected Leave event.

Section 4. Within two (2) months after the execution of this Agreement, the Department shall post on all bulletin boards a list showing the seniority of each employee in the Department or Division covered by Appendix "A" of this Agreement. A copy of the seniority list shall be furnished to the local Union when it is posted. The Union shall have fifteen (15) days following such posting to challenge the list, after which the list shall stand. This will not apply to Departments or Divisions with less than five (5) employees.

Section 5. In case of layoff, if any elected Union Officers are affected by such layoff, they will be allowed to continue to function in their official Union capacity in dealing with the County for a period of ninety (90) days unless other employment has been secured prior to the end of the ninety (90) day period, or unless they are replaced or removed from their elected office by the local Union.

Laid off stewards shall be covered by the same provisions.

Section 6. Classification seniority is defined as an employee's continuous length of service in the employee's job classification.

Section 7. Provided there are no significant differences in the qualifications of the employees in the classification involved, seniority as defined in Section 1 of this Article, shall be a primary consideration in shift preference.

Section 8. Provided the employee is qualified, seniority as defined in Section 1 of this Article shall be the determining factor in layoff and recall.

Section 9. In granting promotions, appropriate consideration will be given to relevant examinations, record of performance, and conduct. Preference shall be given to the more senior employee when all other promotion qualifications are equal. Vacancies shall be filled by promotion whenever practical and in the best interest of the service, and preference may be given to employees within the department in which the vacancy occurs.

ARTICLE 16 - PROMOTIONS, TRANSFERS AND DEMOTIONS

Section 1. Promotion. A promotion is the filling of a vacancy by the advancement of an employee from a position having a lower pay grade to a position having a higher pay grade.

When a promotional position is posted internally, the County Human Resources Director shall administer a competitive examination which shall be open to all employees of the County who are employed in a classification at a lower pay grade and who otherwise meet the necessary requirements.

After each competitive promotional examination, the County Human Resources Director shall prepare a list of the persons meeting the minimum requirements for selection by the Department Head.

Section 2. Transfer. A transfer is the movement of an employee from a position of a class to another position of the same class. The transfer may be by a Department Head, if in the same Department, or by both Department Heads and the employee, if between Departments. The rate of pay of an employee who transfers shall remain the same, and the employee shall retain the same eligibility date.

A Department Head may transfer an employee from a position of a class to another position of the same class within the employee's organizational unit. Two (2) Department Heads may transfer an employee from a position of a class to another position in the same class between their respective organizational units upon mutual agreement, including the employee's, and with a report to the Human Resources Director.

The transfer of an employee from a position of a class to a position of another related class of the same pay grade may be made by a Department Head or Department Heads, if two units are involved, subject to the prior approval of the Human Resources Director and only if the classes involved are so related that the experience in, and entrance qualification requirements of one class, are such as to qualify the employee in a reasonable manner for the other class. If the transfer is made between Department Heads, the employee must also consent to the transfer.

Section 3. Demotion. A demotion is moving a status employee to a position having a lower pay grade. A demotion may be voluntary, for lack of work or for cause. A voluntary demotion shall be made by the employee in writing to an existing vacancy. The employee who is demoted for cause or as a result of lack of work in the employee's class may receive notice in writing at least fifteen (15) working days in advance. The employee may make a reply in writing or request to appeal personally to the Department Head. An employee with status may appeal a demotion for cause to the Personnel Policy Board. The appeal must be filed with the Human Resources Director no later than fifteen (15) days after notice.

Except in the case of a reduction in force, whenever an employee is demoted to a position for which the employee is qualified, the employee shall receive the rate of pay in the lower pay grade which is at least a one (1) step decrease in pay. If for cause, the employee may be placed on any step in the range which is requested and approved by the Human Resources Director.

Section 4. Any bargaining unit vacancies not filled by transfers or demotions shall be posted internally and externally simultaneously for a minimum of seven (7) calendar days. During the posting period, qualified internal and external candidates shall have equal opportunity to apply for the open position. Preference shall be given to qualified internal candidates when all qualifications are equal. However, the Department Head retains the right to select the most qualified candidate. If no current probationary or status employee is selected, then the position shall be posted to the general public. Positions filled through continuous recruitment will be posted internally and to the general public simultaneously. Any vacancy may be filled by a promotion, transfer or demotion.

ARTICLE 17 - LAYOFF AND RECALL

Section 1. When it is determined that a reduction in force is necessary, the County shall notify the Union as soon as possible. The order of layoff shall be by seniority. The employee with the least seniority shall be the first laid off.

Section 2. No full-time status employees shall be laid off as long as there are provisional, part-time, temporary, seasonal, intermittent, emergency, on-call or probationary employees working in the affected classifications. Furthermore, when an employee in a classification in a Department has been laid off, the Department shall not hire any provisional, part-time, temporary, seasonal, intermittent, emergency, on-call or probationary employees to conduct any work that was previously conducted in that classification for a one (1) year period from the date of layoff unless the County has first attempted to recall all laid off employees in such class, pursuant to this Article.

Section 3. An employee who has received notice of layoff shall have the privilege of bumping an employee in the same class in the employee's Department with less continuous County service. If there are no employees in the same class with less continuous County service, the employee may move to the next lower classification in the class family in the employee's department.

Section 4. The names of status employees who have been laid off shall be placed on a layoff list, and shall be eligible for recall for a period of one (1) year, and the County shall rehire in the reverse order of layoff. A laid off employee subject to recall who is employed elsewhere shall not be required by the County to report until after the expiration of two (2) weeks from the date of the notice. If such employee is not employed elsewhere, the employee shall be required to report to work at the beginning of the next pay period following recall. The County shall provide employees subject to recall with written certified notice of recall mailed to their last known address on record in the Human Resources Department. Employees on the layoff list shall be responsible for making their current address available to the City-County Human Resources Department. The County shall present the Union with the layoff list and any changes as soon as possible.

Section 5. An employee subject to layoff shall be provided with notice of layoff in writing at least fifteen (15) calendar days prior to the layoff.

Section 6. When an employee exercises retreat rights in lieu of layoff, the employee shall be paid at a rate which most nearly approximates the employee's rate of pay immediately prior to the layoff if available in the pay grade. If the employee's rate of pay prior to the layoff is higher than the maximum of the lower pay grade, the employee will be paid at the maximum of the lower pay grade.

Section 7. No new employees shall be hired into a classification in the Department where employees have been laid off from that classification until all employees on layoff status in that Department and classification desiring to return to work have been notified of vacancies.

Section 8. Employees displaced by the elimination of jobs through consolidation (combining of two jobs or more), the installation of new equipment or machinery, the curtailment or replacement of existing facilities or for any other reason, shall be permitted to exercise their seniority rights to bump into another position in their class family in their Department for which they are qualified.

Section 9. (a) In the event of a recall of a laid off employee within one (1) year of a layoff, the recalled employee shall have their service time computed from the employee's original date of employment to the date of layoff.

(b) An employee who is laid off, and is later recalled within one (1) year, shall have available upon their return such unused sick leave accrual as the employee may have earned up to the time of their departure (Article 23, § 1. K). Further, accrual rates for vacation and sick leave will be established at the level based upon the revised service time set forth in subsection (a) above. An employee who is recalled, is eligible for enrollment in the health, dental and life insurance programs without waiting periods and reinstatement in the retirement plan at the percentage of vesting at the time of layoff.

ARTICLE 18 - DISCHARGE AND DISCIPLINE

Section 1. Disciplinary action shall consist of written reprimand, suspension, demotion and dismissal. The Department Head may discipline an employee for just cause. Just cause shall be defined as a cause which a reasonable employer, acting in good faith, would regard as good and sufficient reason for the level of discipline issued against the employee for the infraction that led to the disciplinary action, and the discipline was consistent with how other employees, in the same department and in similar situations, were treated as distinguished from arbitrary whim or caprice. In informing an employee of proposed discipline, the County can refer to the Lancaster County Personnel Rules to set forth the basis for the proposed discipline.

Provisions for disciplinary actions should be limited to those listed above. When appropriate, each Department Head or Supervisor should make reasonable efforts to provide an employee with written coaching prior to instituting formal discipline, however, nothing in this Article should be construed to limit a Department Head's authority to determine the appropriate level of discipline. Other solutions may be obtained through mutual consent by management, the Union and the employee.

Management reserves the right to investigate employee conduct, potential violations of rules and/or standards of employment. ARTICLE 28 - TEMPORARY ASSIGNMENT TO A HIGHER CLASSIFICATION

Temporary assignment out of class shall mean assignment to an out of class position which is temporarily vacant due to termination, resignation, leave of absence, or initial creation. In the event an employee is directed by management personnel to engage in work having substantially similar duties and responsibilities as those of another permanent position (classification) with a higher maximum salary (out of class work), that employee shall receive at least a step increase in pay during the period the employee is so engaged in that activity, provided the following is accomplished:

- A. The employee obtains written authorization to engage in the out of class work either prior to commencement of that activity or within twenty-four (24) hours of the commencement of the out of class work;
- B. The employee is authorized to perform the full range of duties of the out of class work, even though the employee may not actually perform the full range of duties during the term of that activity; and
- C. The employee must perform the out of class work eight (8) or more consecutive hours before being eligible for out of class pay. The employee shall then be compensated for the original eight (8) consecutive hours worked plus any additional consecutive hours the employee is engaged in the out of class work.

In the event an employee is performing out of class work and requests and receives approval for paid leave, such paid leave shall be compensated at the employee's rate of pay prior to the assignment of the out of class work.

Examples of out of class pay are for demonstrative purposes, and are not inclusive of all instances when out of class pay may be paid to an employee.

Examples of out of class pay might include an employee working four (4) hours out of class at the end of a shift, returning to work the next day and working an additional four (4) hours out of class. In this example, the employee would be paid out of class pay for the eight (8) consecutive hours of work.

In another scenario, an employee may be assigned to perform out of class work for an eight (8) hour work day. The beginning of the following work day the employee is assigned and performs two (2) hours of out of class work resulting in ten (10) consecutive hours of out of class work. The employee would be paid ten (10) hours of out of class pay in this example.

Exceptions to this Article for receipt of out of class pay may be made or approved by the Human Resources Director.

ARTICLE 29 - INSURANCE

Section 1. Health Insurance. The County shall maintain a group health insurance policy. The County shall have the sole discretion to contract annually with one or more carriers on any terms of this coverage.

The County shall contribute ninety-five percent (95%) of the carrier single premium cost, eighty-five percent (85%) of the carrier employee plus spouse or employee plus child(ren) premium cost, and eighty-five percent (85%) of the carrier family premium cost.

Section 2. Dental Insurance. The County agrees to provide a comprehensive dental program. The County will pay eighty-five percent (85%) of the monthly premium for Dental Insurance for single coverage. The employee will pay the remaining fifteen percent (15%) of the premium. The County will pay seventy-five percent (75%) of the monthly premium for Dental Insurance for employee plus spouse, employee plus child(ren) and family plans. The employee will pay the remaining twenty-five percent (25%) of the premium.

Section 3. Life Insurance. The County will pay the full premium on \$30,000 group term life insurance coverage for the employee upon adoption of the addendum to the present Guaranteed Mutual Life Insurance contract. Additional coverage and dependent coverage may be purchased and the employee will pay one hundred percent (100%) of the monthly premium.

Section 4. The County will provide a long term disability policy in order to provide some relief from lost wages due to sickness, injury or disability.

ARTICLE 30 - EYEGLASS REPLACEMENT

An employee whose eyeglasses are broken or lost in the performance of duty shall submit a written report before the end of their duty shift explaining what caused said glasses to break. The County shall provide safety lens, scratch resistance and tinting as requested by the employee as replacement lens. Replacement frame cost shall not exceed two hundred fifty (\$250) dollars.

ARTICLE 31 - RETENTION OF BENEFITS

Any and all current privileges and benefits enjoyed by the employees prior to the date of this Agreement will not be denied them because of the execution of this Agreement unless the parties, through collective bargaining, mutually agree to change or have specifically waived any of these privileges.

ARTICLE 32 - SAVINGS CLAUSE

Section 1. If any provision of this Agreement is subsequently declared by the proper legislative or judicial authority to be unlawful, unenforceable, or not in accordance with applicable statutes or ordinances, all other provisions of this Agreement shall remain in full force and effect for the duration of this Agreement.

Section 2. Should any Article, Section or portion thereof, of this Agreement be held unlawful and unenforceable by any court of competent jurisdiction, such decision of the court shall apply only to the specific Article, Section, or portion thereof directly specified in the decision; upon the issuance of such a decision, the parties agree to negotiate a substitute for the invalidated Article, Section, or portion thereof.

ARTICLE 33 - UNION BARGAINING COMMITTEE

Section 1. The Union bargaining committee will include not more than five (5) employees of the County. It may also include two (2) non-employee representatives of IBEW Local 1536. The Union will provide Human Resources with the names of its employee representatives on the bargaining committee in writing.

Section 2. There will be no discrimination against any employee because of their duties as a Union Official, Steward, or Committee Member.

Section 3. Employee members of the bargaining committee will be paid by the employer for time spent in negotiations with management, a cumulative total of fifty (50) straight time hours that they would otherwise have worked their regular schedule. None of the time spent in negotiations shall be used to compute hours worked for overtime compensation.

ARTICLE 34 - INFECTIOUS DISEASE

Section 1. The County, through its Health Department, will establish a list of positions in the County which are at risk for exposure to Hepatitis B. Once risk is established, the County shall, at the County's expense, offer vaccinations for Hepatitis B to those employees in the positions identified as being at risk. The County will provide the employees with educational material and, after the employee has completed the education phase, the employee may accept or reject the vaccination.

Section 2. The County recognizes the risk of exposure to contagious diseases of employees. Therefore, the County will annually provide voluntary influenza vaccinations for all County employees. It shall be the responsibility of the County to develop, implement and manage this program.

ARTICLE 35 - LICENSES AND CREDENTIALS

In the event that an employee is required to maintain a license or other credential pursuant to the qualification requirements in their job description, each Department Head shall maintain a record of the status of the license or credential, and the dates for required renewals. The status of an employee's license or credential shall also be reviewed with the employee during the employee's annual evaluation.

ARTICLE 36 – SAFETY BOOTS

Section 1. The County shall provide a method by which employees in designated classifications can obtain approved safety footwear (safety boots) that is either ANSI or ASTM approved. Only ANSI Z41 PT-1999, ANSI Z41-1991, or ASTM F2412-05 (compliant with 29 CFR 1910.136) are required. The County will provide \$150.00 per designated employee per calendar year, effective January 1, 2024. Designated classifications are as follows:

CLASS CODE	CLASS TITLE
9811	ENGINEERING AIDE I
9812	ENGINEERING AIDE II
9851	ENGINEERING TECHNICIAN I

Section 2. Replacement footwear will be at the discretion of the Department Head after reviewing the condition of the employee's footwear including cases in which an employee's safety boots are damaged on the job either in a single event or over time such that the boots are rendered inadequate for proper protection. When required by the department director, employees who have received such boots or allowance shall wear such safety boots while engaged in work. Not wearing required safety boots may be the basis for disciplinary action.

ARTICLE 37 - DURATION

Section 1. This Agreement shall be effective as of the 24th day of August, 2023, and shall remain in full force and effect until August 31, 2025.

This Agreement shall be approved by the International President of the International Brotherhood of Electrical Workers.

This Agreement shall be automatically renewed from year to year thereafter unless either party shall notify the other in writing no later than April 1 of the expiration year of said agreement, that it desires to modify this Agreement in any part thereof. In the event such notice is given, negotiations shall not begin later than May 1 of that year. Prior to the first meeting, all proposals in completed form must be submitted to the county by the Union, and to the Union by the County.
