

2021

Annual Drinking Water Quality Report

The Annual Drinking Water Quality Report for the City of Lincoln may be viewed at:

 [lincoln.ne.gov/
WaterQualityReport](https://lincoln.ne.gov/WaterQualityReport)

This report contains important information about the source and quality of your drinking water.

***The Lincoln Water System
is proud to report that no
drinking water violations
were incurred during 2021.***

If you have questions or would like a paper copy of the report mailed to your home, please call 402-441-7571 or stop by Lincoln Water System Offices at 2021 N. 27th Street to request one.

REPORT MUD IN THE STREET DUE TO CONSTRUCTION

**Mud pollutes our local waterways and
creates a public safety hazard.**

1. Go to UPLNK.lincoln.ne.gov or
download the UPLNK app
2. Select *Mud in the Street Due to
Construction*
3. Select the location on the map, add a
photo and description of the construction
site, and submit

THANK YOU for helping keep Lincoln safe and its
aquatic life healthy. For more information, go to
watershed.lincoln.ne.gov.

DON'T IGNORE IT, REPORT IT!

Help stop illegal dumping! Call the Lincoln Lancaster
County Health Department: 402-441-8022

After hours? Call the Lincoln Police Department
Non-Emergency : 402-441-6000
