

## List of Administrative Revisions to the MPO Management Plan

*Non-substantive corrections and revisions to the Management Plan may be made administratively by staff, with subsequent notification of the Lincoln MPO Officials and Technical Committees, MPO Email List, and posting of the administrative revisions on the MPO website. Administrative modifications were allowed starting with the amendment to the Management Plan approved by the Officials Committee on May 10, 2023.*

| <b>Approval Date</b> | <b>Description of Revisions</b>   |
|----------------------|---|
| June 5, 2023         | Revised references from “StarTran” to “Lincoln Transportation & Utilities – StarTran” and revise references from “Lincoln Transportation & Utilities – Engineering Services” to “Lincoln Transportation & Utilities – Transportation” where appropriate.  |
| April 11, 2024       | Inserted an updated “Memorandum of Agreement for Transportation Planning and Programming By and Between the Lincoln Metropolitan Planning Organization, City of Lincoln StarTran Bus Service, and Nebraska Department of Transportation” (MOA) under Appendix C. The MOA was updated on March 21, 2024 to revise references to federal transportation bills. The previous MOA referenced the FAST Act, which was superseded by the Bipartisan Infrastructure Law. The references to federal bills have been revised to be more general and not reference specific bills. The adoption date of the MOA on Page 4 was also updated. |
