Personal Emergency Response Systems

Personal Emergency Response Systems (PERS) are designed to help elderly or disabled people in their home, providing them immediate access to emergency help at any time. Using a standard telephone and easy-to-use custom-designed equipment, PERS subscribers can call for emergency assistance from anywhere in their home by merely pressing a button.

These have a monthly fee for service. Some charges may apply for installation and removal.
Call 402-441-8816 for details.
