What is subsidized housing?

Subsidized housing is a federal program designed to reduce the rental housing costs for low-income individuals and families. The government pays a portion of the rent to the landlord for eligible households. Deposit and one year lease is required in most units.

Who qualifies?

Qualified individuals are age 62 or over, and/or younger or with a disability. A married couple qualifies as long as one spouse meets the age and/or disability requirement.

What are the income guidelines?

Very Low Income: \$33,600 individual; \$38,400 couple

Low Income: \$53,700 individual; \$61,400 couple.

What is considered income?

Income is defined as Social Security, Railroad Retirement, private pensions, wages, and interest on savings or investments. There is no limit on the total amount of financial assets per person.

How much rent will be charged?

The rental amount is approximately 30 percent of annual gross income. Check with Lincoln Housing Authority for latest figures.

Are utilities included in the rent?

In some subsidized units, the utilities are included in the monthly rent. In others, the tenant has to pay, but the rent is adjusted to defray some of the cost of utilities.

The Lincoln Housing Authority administers the Section 8 Housing Choice Voucher Program information and forms. Vouchers are issued to eligible persons to rent apartments, houses, and mobile homes for reduced cost depending on family size. Currently it takes 12 to 18 months to get vouchers. Some apartments allow you to rent without a voucher, charging regular rent prices.

Lincoln Housing Authority (LHA) owns and manages three buildings exclusively for senior citizens: Burke Plaza, Crossroads and Mahoney Manor. Applications are made through Lincoln Housing Authority. No voucher is required for Burke Plaza or Mahoney Manor. All complexes have resident service coordinators.
