The Health Promotion, Data & Evaluation Division is committed to enriching the lives of all people so that individuals have the knowledge and support they need to assume responsibility for their own health. Our team is responsible for promoting the practice of healthy behaviors, investigating reportable communicable disease cases, promoting immunization to prevent disease outbreaks, monitoring health status indicators and conditions in the community, and planning and preparing for potential public health emergencies.

- **Mobilizing for Action through Planning & Partnership (MAPP)**
## Childhood Injury Prevention
- Children and families receiving child safety seat education: 2,758, 2,418, 3,175
- Children participating in bicycle and pedestrian safety education: 4,038, 3,080, 3,180

## Tobacco Prevention and Education
- Companies with smoke-free campuses: 73, 75, 82

## Summer Food Service Program (SFSP)
- LLCHD SFSP sites operated in Lancaster County*: 42, 45, 22
- Breakfasts & lunches served through SFSP/# of days: 101,689/58, 107,108/53, 51,554/51

*The 2018 SFSP was a transition year, splitting sites among other community partners: LLCHD - 22 sites; Food Bank of Lincoln - 17 sites; and The Salvation Army - 4 sites. LLCHD will no longer be a sponsor for the SFSP. The Food Bank of Lincoln will assume sponsorship of LLCHD sites beginning in 2019.
